

MOHD. MAHDIUZZAMAN

Copenhagen, Denmark | +4571625549 | mahdiuzzaman.bmu.edu@gmail.com | LinkedIn: Mohd Mahdiuzzaman

◆ PROFILE

Maritime and logistics professional with an academic background in Oceanography and an MBA in Maritime Business. Experienced in shipping documentation, customs liaison, and import/export operations, with hands-on exposure across freight forwarding (APS Logistics) and shipping/clearing operations (RHC Enterprise). Currently pursuing further study in Environment & Development at the University of Copenhagen. Combines analytical research skills with practical, client-facing operational experience.

◆ EDUCATION

► MSc in Environment & Development • University of Copenhagen

September 2026 – August 2028 | Copenhagen, Denmark

► Master of Business Administration (MBA), Maritime Business • Bangabandhu Sheikh Mujibur Rahman Maritime University

May 2022 – August 2024 | Dhaka, Bangladesh

- GPA: 3.47 / 4.00
- Thesis: Green Supply Chain Management Practices and Tools for Logistics Competitiveness and Sustainability — The APS Logistics Case Study

► BSc (Hons) in Oceanography • Bangabandhu Sheikh Mujibur Rahman Maritime University

January 2017 – February 2022 | Dhaka, Bangladesh

- GPA: 3.21 / 4.00
- Thesis: Prospect and Challenges of Marine Spatial Planning: Entwining a Strategic Approach

◆ PROFESSIONAL EXPERIENCE

► Student All Rounder • A&O Hostels

September 2026 – Present | Copenhagen, Denmark

- Support front-desk operations, including guest check-in/check-out and reservation handling
- Assist with housekeeping, breakfast service, and general hostel upkeep across shifts
- Provide guest support and local travel information to an international, multilingual clientele
- Coordinate with team members across departments to ensure smooth daily operations

► Assistant Manager • RHC Enterprise

May 2025 – August 2026 | Dhaka, Bangladesh

- Prepare and check shipping documents for import/export consignments
- Advise exporters and importers on optimal shipping modes
- Liaise directly with customs officials for assessment and inspection
- Arrange physical examination of cargo when required and maintain audit-ready records for post-clearance checks
- Advise clients on compliance risk, penalty exposure, and regulatory gaps

► Executive • RHC Enterprise

January 2023 – April 2025 | Dhaka, Bangladesh

- Assisted in preparing and verifying shipping documentation and import/export declarations
- Organized and maintained physical and digital shipment files
- Coordinated with customs runners and yard staff during inspections
- Followed up on container gate-in/gate-out, yard positioning, and stuffing/de-stuffing operations

► Team Lead & Photographer • Reminiscence Photography

November 2018 – February 2026 | Dhaka, Bangladesh

- Captured, edited, and produced high-quality photographs for creative, commercial, and client projects

- Oversaw scheduling, budgeting, and client relations while managing photography projects and vendor coordination
- Collaborated with marketing, design, and strategy teams to ensure timely delivery of content across digital platforms

► **Manager** • Pizzagram

June 2022 – May 2023 | Dhaka, Bangladesh

- Managed daily restaurant operations, including staff scheduling and floor supervision
- Oversaw customer service standards and handled client relations and order resolution
- Coordinated with vendors and suppliers to maintain inventory and service continuity

► **Intern** • APS Logistics, EXPO Group

June 2023 – September 2023 | Dhaka, Bangladesh

- Gained hands-on exposure to air shipment operations; visited CFS to observe end-to-end handling
- Supported handling of major clients' ocean shipments under senior supervision, including a Government project for the 3rd Terminal extension of Shahjalal International Airport
- Trained on ocean export/import processes, CRM, and documentation for US-bound shipments
- Developed working knowledge of the air import and export system

◆ **RESEARCH EXPERIENCE**

► **Research Team Member** • IORA / MoFA — Dept. of Oceanography, University of Dhaka

June 2024 – December 2024 | Dhaka, Bangladesh

Project: Electricity Production Using the Salinity Gradient of the Seawater Adjacent to Saint Martin's Island, Bangladesh

- Collected and analyzed oceanographic data on seawater salinity gradients for renewable energy potential
- Produced a real-time visual presentation demonstrating the lamp powered by the project's energy conversion system
- Collaborated with a multidisciplinary research team on data analysis and problem-solving

► **Data Researcher** • Independent Study

May 2023 – June 2023 | Chittagong, Bangladesh

Project: Dependency of Ship Turnaround Time across Ship Type and Ship Size in Chittagong Port

- Collected and organized data from secondary sources
- Compiled and analyzed data to assess turnaround-time dependencies

◆ **PUBLICATIONS**

M. R. Ashikur, M. Mahdiuzzaman, et al. "Stakeholders' Perceptions on Marine Spatial Planning in Bangladesh: Entwining Strategic Approach." BIMRAD Journal 5(1), pp. 129–162 (2024). <https://doi.org/10.3329/bimradj.v5i1.79603>

◆ **SKILLS**

Computer Skills: Ferret, GIS, MS Office Suite (Word, Excel, PowerPoint, Outlook), Spreadsheets & Data Entry

Digital Skills: Social Media Optimization, Zoom, Google Workspace, Microsoft Teams

Languages: English (Proficient), Bengali (Native), Hindi (Intermediate)
